RE: Site Inspection, Interstate Brick Company, Big Cottonwood Mine, M/035/003,
Salt Lake County, Utah

Date of Inspection: October 15, 1993
Time of Inspection: 1000 a.m. - 1100 a.m.
Conditions: Overcast, raining, cool
Participants: Jerry North, Interstate Brick Company; Tony Gallegos ,DOGM

Purpose of Inspection: To examine the site and determine if reclamation had been completed.

Mr. North and I met onsite. It appears that no additional reclamation work had been performed at the site since the Division's last inspection on December 3, 1992. Two new homes are currently under construction on the strip of land immediately adjacent and west of the mine site.
